

(Day)

CATs TIMETABLE OF 1.1,1.2,2.1,3.2,4.1 & 4.2

10<sup>th</sup> - 23<sup>rd</sup> October 2026

| POSTGRADUATE STUDENTS                                                       |           |                               |                |
|-----------------------------------------------------------------------------|-----------|-------------------------------|----------------|
| COURSE UNIT                                                                 | TIME      | INVIGILATORS                  | ROOM           |
| 19/10/2026                                                                  | Monday    |                               |                |
| MORNING SESSION                                                             |           |                               |                |
| ENV7202-Inferential Statistics & Computing                                  | 9am-10am  | Prof. Eric Sande              | 514 N.B        |
| ENV7204-Integrated water resource Management                                | 10am-11am | Dr. Luyiga Susan              | B02 O.B.       |
| MWM7204-Wildlife Management Planning and Conservation                       | 10am-11am | Assoc.Prof. Mucunguzi Patrick | 514 N.B        |
| AFTERNOON SESSION                                                           |           |                               |                |
| ENV7106-Conservation Planning and Management                                | 3pm-4pm   | Dr. Ogwal Harold              | 104 N.B        |
| 20/10/2026                                                                  | Tuesday   |                               |                |
| MWM7205-Fisheries and Wetland Resources Management                          | 9am-10am  | Dr. Luyiga Susan              | 515 N.B        |
| 21/10/2026                                                                  | Wednesday |                               |                |
| MORNING SESSION                                                             |           |                               |                |
| ENV7101-Environmental Impact Assessment <i>(shared: 1.1 &amp; 1.2)</i>      | 9am-10am  | Dr. Oluwole Olusegun Akiyode  | GF03 N.B.      |
| ENV7205-Energy Environment and Climate Change                               | 11am-12pm | Dr. Mbazira James             | B02 O.B.       |
| UCC7106-Research Methods                                                    | 11am-12pm | Prof. Tarig Elsheikh Mahmoud  | 512 N.B        |
| AFTERNOON SESSION                                                           |           |                               |                |
| ENV7107-Natural Resource Ecology, Conservation & Management                 | 2pm-3pm   | Dr. Luyiga Susan              | 502 N.B        |
| 22/10/2026                                                                  | Thursday  |                               |                |
| MORNING SESSION                                                             |           |                               |                |
| ENV7207-Evolutionary and Conservation Genetics                              | 9am-10am  | Dr. Mariam Oyedesi Amusa      | 512 N.B        |
| AFTERNOON SESSION                                                           |           |                               |                |
| ENV7208-Waste Management                                                    | 12pm-1pm  | Dr. Oluwole Olusegun Akiyode  | 407 N.B        |
| 23/10/2026                                                                  | Friday    |                               |                |
| MORNING SESSION                                                             |           |                               |                |
| ENV7103-GIS and Environmental Remote Sensing <i>(shared: 1.1 &amp; 1.2)</i> | 9am-10am  | Assoc.Prof. Manal Awad        | Computer Lab 5 |
| ENV7203-Environmental Economics                                             | 9am-10am  | Prof. Tarig Elsheikh Mahmoud  | C03 O.B.(LAB)  |

| COURSE UNIT                                     | TIME      | INVIGILATORS                  | ROOM    |
|-------------------------------------------------|-----------|-------------------------------|---------|
| MWM7203-Environmental Education & Communication | 10am-11am | Dr. Funke Christiiana Toriola | 505 N.B |
| <b>AFTERNOON SESSION</b>                        |           |                               |         |
| ENV7102-Land Use Planning and Development       | 1pm-2pm   | Prof. Nyakaana Jockey Baker   | 505 N.B |
| ENV7201-Environmental Law and Ethics            | 2pm-3pm   | Ms. Abongo Oriokot Elizabeth  | 411 N.B |

## UNDERGRADUATE STUDENTS

| COURSE UNIT                                                             | TIME      | INVIGILATORS                   | ROOM           |
